

Who we are

India's most trusted online tax preparation and filing company

Largest E-Return Intermediary (ERI) authorized by Income Tax Department

Only tax portal having security certified by CERT-IN empanelled consultants

Our Strengths

Always there for your support

We understand return filing is not 'file-it-forget-it' service. Our processes ensure that we are there for you at every step of the way – preparation, filing, assessment, scrutiny, liaison, rectification or refund.

No mis-selling

We do not sell any financial products in the guise of filing ITR. We do not share the data of our customers with any third party. It helps us stay not only clean, but also lean and mean!

Complete solution

We facilitate reconciliation of ITR data with 26AS, e-filing of ITR1, ITR2 & ITR4, service tax compliance, professional assistance for tax filing, tax planning, bookkeeping and audit services. Nobody else does it!

KEY TAX CHANGES RELEVANT TO EMPLOYEES

E-filing Mandatory

- Every individual who is required to file the tax returns must do so only via the electronic filing of returns
- E-return intermediaries have been authorized by the income tax department to facilitate e-filing

Income Tax Scrutiny Notices

- 'Data mismatch' notices to salaried employees
- 'Defective ITR' notices to employees & self-employed
- 'Non-filing of ITR' notices to several lakh employees

HOW TO AVAIL THE EFILING SERVICE

SAP employees, go to http://www.taxspanner.com/ts/ebe_upload/

SPECIAL 2014 OFFER FOR SAP EMPLOYEES*

	Self E-file	HelpDesk
Standard E-filing of ITR without matching ITR data with transactions in I-T Dept database (Online unverified ITR):	<input type="radio"/> Rs. 249 Spl: Rs. 199	Spl: Rs. 250
Plus (default) <ul style="list-style-type: none"> • Verified E-filing of ITR after matching with ITD database. • Full 5-year tax report with return status and pending actions. 	<input checked="" type="radio"/> Rs. 449 Spl: Rs. 299	Spl: Rs. 400
Why Plus package is recommended & is the default package? All the financial transactions of the individuals are under the lens of the income tax department. Matching of your ITR data with the transactions database of ITD, prior to e-filing, is called verification of ITR. Such returns are called Verified Tax Returns. Verified returns eliminate the chances of receiving notice due to data mismatch with Form 26AS.
