Dear Mr/s. Anand Nidamanuru,

Your generous support has enabled Samarthanam Trust for the Disabled's vision to see more, do more and be more. Thank you!

Over the years, Samarthanam's vocational training programme and placement centre has enabled several dispossessed youth to become gainfully employed. Samarthanam's Sunada the cultural group has performed to considerable acclaim both in India and abroad, showcasing the talent of young people with disabilities. Samarthanam CABI has played a frontline role in strengthening blind cricket in India. Some of our students have gone on to join premier institutes like IIM in Bangalore and Kolkata. India's first blind chartered accountant also hails from the Samarthanam family.

All of these achievements are in substantial measure because of supporters like you. Thank you for enabling us to transform the lives of so many children and youth with disabilities and from economically disadvantaged communities. We welcome your continued support.
